PROFESSIONAL SUMMARY

Motivated and detail-oriented MCA student with strong foundations in Software Development, Object-Oriented Programming, Data Structures, and Database Management. Skilled in developing full-stack web applications and REST APIs using JavaScript, React.js, Node.js, Express.js, and MongoDB. Familiar with Git, Docker, Linux, and basic Kubernetes, with a passion for problem-solving, debugging, and building scalable software solutions.

EDUCATION

SRIMCA, Uka Tarsadia University (Pursuing)

Bardoli, Gujarat

Master of Computer Applications (MCA)

Arts Commerce Science College

Navapur, Maharastra

bachelor of Science (B.Sc.) CGPA: 8.38

Graduation Date: May 2025

TECHNICAL SKILLS

Programming Languages: JavaScript, Python, C, Java (Basic)

Frontend Technologies: React.js, HTML5, CSS3, Bootstrap,

Backend Technologies: Node.js, Express.js, REST APIs, JWT Authentication

Databases: MongoDB, MySQL

Core Concepts: Data Structures & Algorithms, OOP, DBMS, Operating Systems, Software Engineering

Tools & Platforms: Git, GitHub, Docker, Linux, Kubernetes (Basic), VS Code

PROJECT EXPERIENCE

HomeServX – Home Service Booking Platform

Bardoli, Gujarat

Live Demo

Jan 2026 - Jul 2026

- Developed a full-stack home service booking platform using React.js, Node.js, Express.js, and MongoDB with secure authentication and role-based access control.
- Designed and implemented RESTful APIs for user management, service listings, booking operations, and profile management, ensuring efficient backend functionality.
- Built responsive user interfaces and integrated frontend with backend services for multiple user roles.
- Integrated Razorpay payment gateway, notification system, and worker task assignment features to enhance the overall booking and service management process.
- Optimized backend functionality through efficient database operations, debugging, and scalable application architecture to support reliable and maintainable software development.

CORE COMPETENCIES

- Full-Stack Web Development
- REST API Development
- Problem Solving and Logical Thinking
- Database Management
- Software Debugging

CERTIFICATIONS

- Introduction to Cloud Computing – Simplilearn SkillUp (2026)
- Introduction to DevOps Tools – Simplilearn SkillUp (2026)
- Google Analytics – Great Learning (2023)
